Dear Mr. Secretary General of the United Nations:

I am pleased to inform you that ITESAL supports the ten principles of the Global Compact concerning Human Rights, Labour Rights, Environment and Anti-Corruption. We hereby express our intention to support and develop these principles within our scope of influence.

We commit to make the Global Compact and its principles part of our company's strategy, culture and daily actions, as well as to engage in cooperative projects that contribute to the broader United Nations Development Goals, particularly the Sustainable Development Goals. ITESAL will clearly communicate this commitment to our stakeholders and the general public.

We declare that ITESAL undertakes to voluntarily apply in its governance and management, strategy, as well as policies and procedures, the values and codes of ethics listed in this document, which arise from the relationship and transparent dialogue with its stakeholders, thus taking responsibility for the consequences and impacts that arise from its actions.
